Service Attended:

Harvest Service 10.10.23 at St. Leonard's Church in Loddington

How well do you feel the service related to the school's vision and values?

I think the service was joyful and fun with a real sense of community. This aligns well with the values of respect, friendship and peace. The service seemed to be enjoyed by the children who all participated in the placing of the harvest and the soup. I am sure this also demonstrated the value of perseverance within the school to provide such a lovely service.

The class prayers were beautiful and certainly promoted peace, respect and friendship.

Opening Prayer - Thanking God, and opening song shows caring individuals,
Speaking to God, Christianity.

Friendship - Giving food to local foodbank.

Respect - Listen to other years sing their songs, and Reverend Andy
speaking to the congregation.

Confident - Get up and sing.

Reverend Andy - speaking from bible ^{about} Jesus, & get children involved. Make
teaching of God / Jesus ^{have} more meaning, memorable and fun, which the children are more
likely to listen and remember. God give amazing gifts. "Jesus bread of life".

Songs reflect God and values of Christianity. ~~God is in everything~~

Even better if:

- Children stand up and read ~~prayers, bible~~ or ^{teachings from} from Bible. the bible
Maybe a course of children from each year, like they did ^{with} the
prayers.
