

Year 2

Spirituality

- Autumn 2 - Topic focus is the World. Link learning on oceans back to Spirituality Day when children highlighted plastic in the ocean as an 'OW' moment.
- Autumn 2 - Science focus - living things and their habitats.
 - Make bug hotels at forest school.
 - Go on a hunt for living things.
 - Take a moment to be thankful for all of the living things we have in our world.
- Listen to a poem about nature being read each day - discuss what aspects of nature we are grateful for.
- PSHE focus for Autumn 2 - Citizenship (Discussing our school environment and how we can work together to make this a nice place to be).
- Community event - some children will build relationships with others in our community.
- R.E. Spring 1 - Learning about Islam. Widening children's experiences to explore different religious beliefs than their own.
- Online Safety focus - discuss how our world is changing and how we are connected to each other now more than ever.
- Spring 2 PSHE focus of Health and Wellbeing - discussing ways that we can look after our mental health.
- Geography focus for Spring 2 - Exploring Kenya and discussing the contrasts of life in Kenya compared to the UK. Opening children's mind to the wider world.

Courageous Advocacy

- Citizenship PSHE focus - explore ways that we can make our school environment better. Conduct democratic votes and discuss importance of school council.
- When exploring The World in Geography - discuss plastic in oceans and the threats that our world has now. Children can make posters to raise awareness for this.
- Some children from school council working to organise activities for children in need day.
- Safer Internet Day - Raising awareness for the need to be safe on the internet. Gathering children's ideas and opinions from Computing club to support planning for this day.
