Autumn Newsletter 1

Year 5 & 6

Welcome Back

I hope you have had a lovely summer and you are feeling refreshed ready to start another exciting school year!

Curriculum

Our topic this term will be *Ancient Greece* and this will run until *Christmas*, we will spend time looking at the life of an *Ancient Greek*, the *Olympics* and the different ways of life through the city states. In *Science*, we will be studying *Earth and Space*. During the topic, we will be investigating how the *Solar System* works, to do this, we will be making something exciting! So that we are ready, please could you bring in pieces of cardboard (with an approximate diameter of 30cm) if you have any at home. Thank you!

PE Day

Our PE day this year will be on a Friday. Please wear your PE kit to school on Fridays, this will help to keep everyone safe as getting changed will not be needed. PE kits should include a white or red t-shirt, navy or black shorts, trainers, navy or black jogging bottoms (only in the winter).

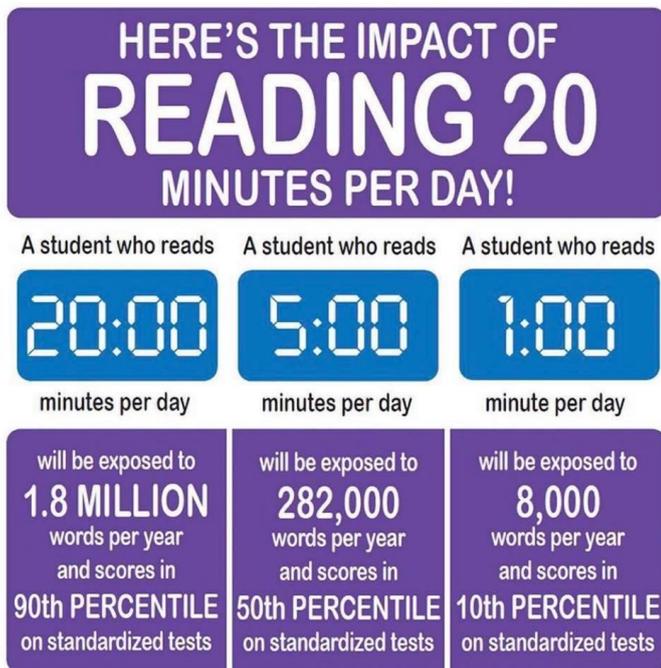

Homework

Maths and English *CGP* homework books will be handed out on a Wednesday, please return them by Monday so that they can be marked. Take away tasks will be sent out on seesaw so that you can send any work towards the tasks to me on there.

Spellings will be given out on a Monday or Thursday, depending on which group you are in. Please make sure you practise them at home over the week, you will write them down into your red books during our lesson so that you can take

them home.

Reading - reading books will be taken home every day, please read at home as often as you can, and record this in your reading diary, it is really important! (We read in school every day for at least 10 minutes).

Maths Key Instant Recall Facts for Autumn 1

Yr 5: Decimal number bonds to 1 and 10 using tenths and hundredths

0.01 and 0.99
0.02 and 0.98

0.01 and 9.99
0.02 and 9.98

Year 6: Decimal number bonds to 1 and 10 using tenths and hundredths

0.01 and 0.99
0.02 and 0.98

0.01 and 9.99
0.02 and 9.98

Using x table facts to multiply and divide decimals, for example

1.2x6
7x0.8
8.4 ÷ 7

If you have any questions or wish to contact me about anything, please do not hesitate to contact me and we can set up a meeting
